# World Café - Group work

## Interactive discussion of finance solutions

---

The audience will be split in **four** groups; group 1, 2, 3 and 4.

- Each group gathers around one pin board / expert / cafe
- Topics to be covered are:
  - Payments for Ecosystem Services (facilitated by Angus Middleton)
  - Park Entrance Fees (facilitated by Dr Jane Turpie)
  - Environmental Levies (facilitated by Lazarus Nafadi)
  - Plastic Bag Levies (facilitated by Dr Chris Brown)
- Together with the experts you will address the following points:
  1. The facilitator will start with a short briefing on the instrument (5')
  2. Clarify any questions of understanding (5')
  3. What are your recommendations for the resource mobilization strategy with regard to the specific instrument? (5')
- After 15 minutes the group will move to the next café / pin board. The expert will give you an update on the discussion of the first group.
- After having visited all 4 experts, the facilitators will summarize the discussion and give feedback to all participants (3' per expert)
